

Sage ERP MAS 90 and 200 Extended Enterprise Suite Version 1.4

Integrated Solutions Compatibility Matrix

Revised as of September 30, 2014

The Integrated Solutions Compatibility Matrix is intended to cover all information as of September 30, 2014, regarding all Integrated Solutions compatible with Sage ERP MAS 90 and 200 Extended Enterprise Suite. Any version not listed should be assumed **incompatible**. If your configuration is not listed, Sage Customer Support cannot provide support for you. All hardware and system requirements must meet or exceed the minimum requirements as indicated in the Extended Enterprise Suite Supported Platform Matrix. Only additional requirements are listed in this matrix.

Note: It is critical that before and during an installation, this document be thoroughly reviewed, along with the *Sage MAS 90 or 200 Installation and System Administrator's Guide* and other documents found on the How to Install Sage 100 ERP and Locate Installation and Upgrade Information page. To access this webpage, please log into Sage Support Portal at <https://support.na.sage.com/> and type **18216** and click **Search** button.

Throughout this document, other companies' Web sites are referenced; the content on those sites can change at any time. Sage has no control over, and cannot be responsible for the content of other companies' Web sites.

Note:

- Please check for and apply any Sage product updates from the Sage Online Web site at <http://na.sage.com/log-on/>. For more information, consult your Sage business partner.
- Integrated product version compatibility indicated in this document does not necessarily imply that the integrated product vendor supports noncurrent versions. Refer to the integrated product vendors' Web site for specific information on supported versions.
- Regarding support for integrated product 64-bit operating system and Microsoft operating system compatibility, consult the integrated product vendor's Web site for the most current information.
- Sage 100 ERP EES version 1.40 phone and web case support (retirement) end date September 30, 2014. For more information, see Supported Versions document located here, <https://partners.sagenorthamerica.com/irj/go/km/docs/sageKM/Sage%20MAS%2090%20and%20200/Assets/Sage%20100%20ERP%20Supported%20Versions.pdf>
